Head of School: Amy Burson

Executive Headteacher: Hannah Forder-Ball

**Want to use your skills and knowledge to make a difference to your local community?
Want to support local children?**

Become a School Governor at North Hinksey C of E Primary School and you could do both of these things

What exactly does a School Governor do?

Our role as Governors is to set the school's strategic direction and support its delivery. At North Hinksey we do this through working closely with our exceptional staff, managing our resources effectively and challenging for excellence in all aspects of school life.

What value can I add?

Members of our Governing body use their substantial expertise from their personal and professional backgrounds to help manage and lead the school effectively in delivering its aims and objectives. We have a strong representation from the education sector and are seeking people with non-education backgrounds in business and/or management to help us improve further. We want a diversity of skills, experience, views, cultural and religious backgrounds so that our Governing Body is reflective of our community. Can you help us achieve this aim?

I have no direct connection to North Hinksey C of E Primary School? Will I fit? Am I eligible?

Our parent, staff and church Governors are elected or nominated. We're specifically looking for community governors so a direct connection is not needed, it's your personal and professional skills we want and in particular, skills in financial management, risk management, IT or operations management. And if you share our belief that all children, staff and community members should be enabled to be the best they can be, and you can relate to our core values of then you could be a great fit!

Want to find out more?

In the first instance, please contact the School Office via the detail shown above to arrange an informal chat with the Executive Head, Head of School or the Chair of Governors! We look forward to explaining in more detail what is entailed and inviting you to come and see for yourself.

And if the Governor role is not for you, but you are keen to learn more about what our school, please also contact via the details above and we'd be delighted to organise a visit.
